An act to amend Section 5514 of, and to add Section 5506.14 to, the Public Resources Code, relating to parks and recreation.

LEGISLATIVE COUNSEL'S DIGEST

SB 211, as amended, Simitian. Park district formation: County of Santa Cruz.

Existing law generally authorizes the formation of a district by a petition requesting the creation and maintenance of a district, describing the exterior boundaries, signed by at least 5,000 electors residing within the territory proposed to be included in the district, and presented to the board of supervisors of the county containing the largest area within the proposed district.

Existing law also authorizes proceedings for the formation of a regional park district, regional park and open-space district, or regional open-space district in specified counties of the state to be initiated by resolution of the county board of supervisors adopted after a noticed hearing, and specifies the contents of the resolution, in lieu of the petition and related proceedings required under the above provisions.

This bill, in addition, would authorize the formation of a district in the County of Santa Cruz, except as specified, if the exterior boundaries of the proposed district are coterminous with the exterior boundaries of the county and are initiated by a specified resolution of the county board of supervisors, after a hearing noticed in accordance with specified

procedures, in lieu of the petition and related proceedings required under the above provisions.

State-mandated local program: no.
